Three Pears is the perfect trio of bright, nostalgic and quenching. It's a delightful Pinot Grigio that's always accessible with great flavor attributed to a gradual ripening season in the Delta region of Northern California, which allows for subtle fruit expressions.

**VINEYARD INFORMATION:**

The Sacramento Delta features complex soils comprised of centuries of mineral run-off from the Sierras. Combined with afternoon winds and moderate temperatures, this climate creates bright Pinot Grigio grapes ideal for our Three Pears Blend.

**WINEMAKING:**

Minimal skin contact and a lengthy (55°F) cold fermentation in stainless steel tanks help balance out natural acidity for a refreshing, approachable style.

**TASTING NOTES:**

With inviting aromas of pear and baked apple, our Pinot Grigio has fresh and delicate pear and nectarine flavors, rounded out by a lingering, honeyed-sweet finish.
